7. EVALUATING PERFORMANCE

The performance Plan (Annexure B) to this Agreement sets out-

- The standards and procedures for evaluating the Employee's performance; and
- ✓ The intervals for the evaluation of the Employee's performance.

Despite the establishment of agreed intervals for evaluation, the client may in addition review the Employee's performance at any stage while the contract of employment remains in force.

CM ms

The annual performance appraisal will involve:

- ✓ Assessment of the achievement of results as outlined in the performance plan
 (Annexure B):
- ✓ Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
- ✓ An indicative rating on the five-point scale should be provided for each KPA.
- ✓ The applicable assessment rating calculator must then be used to add the scores and calculate a final KPA score.

8. ASSESSMENT OF THE CMCS

Each CMC should be assessed according to the extent to which the specified standards have been met. An indicative rating on the five-point scale should be provided for each CMC. The applicable assessment rating calculator must then be used to add the scores and calculate a final CMC score.

9. OVERALL RATING

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal. The Assessment of the performance of the Employee will be based on the following rating scale for KPA's and CMCs:
