6. PERFORMANCE MANAGEMENT

The Employee agrees to participate in the Performance Management System that the Client adopts.

- ✓ The Employee undertakes to actively focus towards the promotion and implementation of the Key Performance Areas (KPA's) (Including special projects relevant to the employee's responsibilities) within the Local Government Framework.
- ✓ The criteria upon which the performance of the Employee shall be assessed shall consist of two components, both of which shall be contained in the Performance Agreement.
- ✓ The Employee must be assessed against both components, with a weighting of 8:20 allocated to KPA and the Core Managerial Competencies [CMCs] respectively.
- ✓ Each area of assessment will be weighted and will contribute a pro rata to the total score.
- ✓ KPA's covering the main areas of work will account 80% and CMC's will account for 20% of the final assessment.

The Employee's assessment will be based on his/her performance in terms of the outputs/outcomes (performance indicators) identified as per attached Performance Plan (Annexure B) which are linked to the KPA's and will constitute 80% of the overall assessment result as per the weightings agreed to between the Client and Employee:

Key Performance Areas	Weighting
Institutional Transformation and Organisational Development	80%
Basic Service Delivery and Development	5%
Financial Management	5%
Local Economic Development	5%
Good Governance and Public Participation	5%
Total	100%

The CMCs will make up the other 20% of the Employee's assessment score. CMCs that are deemed to be most critical for the Employee's specific job should be selected from the list below as agreed to between the Client and Employee:

7. EVALUATING PERFORMANCE

The performance Plan (Annexure B) to this Agreement sets out-

- ✓ The standards and procedures for evaluating the Employee's performance; and
 ✓ The intervals for the evaluation of the Employee's performance.

Despite the establishment of agreed intervals for evaluation, the client may in addition review the Employee's performance at any stage while the contract of employment remains in force.

- ✓ Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan.
- ✓ The actions agreed to and implementation must take place within set time frames.

The annual performance appraisal will involve:

- ✓ Assessment of the achievement of results as outlined in the performance plan (Annexure B):
- ✓ Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
- ✓ An indicative rating on the five-point scale should be provided for each KPA.
- ✓ The applicable assessment rating calculator must then be used to add the scores and calculate a final KPA score.

8. ASSESSMENT OF THE CMCS

Each CMC should be assessed according to the extent to which the specified standards have been met. An indicative rating on the five-point scale should be provided for each CMC. The applicable assessment rating calculator must then be used to add the scores and calculate a final CMC score.

9. OVERALL RATING

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal. The Assessment of the performance of the Employee will be based on the following rating scale for KPA's and CMCs:

Level	Terminolog	Description	Rating
