## Notes:

Property Rental Debtors: Including housing and land sale debtors

Total By Income Source = Total by Customer Group

The total debtors amount must balance the total amount reflected for debtors on the BSAC return.

Bad Debts = Bad debts written off during the month

Impairment = Bad Debts i.t.o Council Policy :

The aim of this schedule is to ensure that the impairment contribution is done in a structured manner  
 The impairment amount that is entered in this block should be the aggregated amount as per the calculation formula in the municipality  
 If a formula to calculate impairment is not in place this is a tool that can be used to develop such a formula and get it approved as part of the accounting policy
