**Please note that certain Revenue by source and Expenditure by type categories show excessive negative and positive variances. This is because the YTD budgets were all systematically determined on a straight-line basis by dividing the total budget per category by 12. The capital projections were also done in the same fashion. Please note that variances within a 10% range are acceptable and need not necessarily be explained.**

**The Major Revenue variances (+10%) against the YTD budget are:**

**Exchange Revenue**
